

Signature Properties and all related entities fully support the principles of the Fair Housing Act (Title VIII of the Civil Rights Act of 1968), as amended, which generally prohibits discrimination in the sale, rental, and financing of dwellings and in other housing-related transactions, based on race, color, national origin, religion, sex, familial status (including children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18), and handicap (disability).

As an adjunct to the preceding commitment, Signature Properties actively promotes and is committed to creating and fostering an environment of diversity throughout our organization and community. We view such a concept as a critical component to the ongoing success of our business operations.
